proposed CDBG Reimbursable Contract is consistent with the purposes set forth in the Action Plan.

FISCAL IMPACT/FINANCING:

There is no impact on the County general fund. The proposed CDBG Reimbursable Contract will be funded with a total of \$25,000 in CDBG funds allocated to the Fifth Supervisorial District.

FACTS AND PROVISIONS/LEGAL REQUIREMENTS:

The Antelope Valley Child Abuse Center, a non-profit organization, assists approximately 3,500 abused children from birth through 17 years of age each year. The agency provides prevention, intervention, treatment, counseling and educational services to victims of sexual, physical and mental abuse. Currently, the Center occupies 6,500 square feet of space to conduct its programs.

The current facility will be replaced with a new 15,000 square foot structure which will accommodate the addition of new programs and allow the Antelope Valley Child Abuse Center to meet the growing need for services for abused children in the area. The new facility will contain multiple interview rooms, play facilities, observation rooms and classrooms. It is estimated that by 2010 an additional 5,500 clients will receive services from the Center. CDBG funds will be used to pay for a portion of the design, architectural and engineering services, such as plan development, specifications, etc. for the new facility. The project is located at 1055 West Avenue M, Suite 100, City of Lancaster.

Should the agency require additional or replacement personnel during the term of the contract, it will give consideration for any such employment openings to participants in the County's Department of Public Social Services' Greater Avenues for Independence (GAIN) Program who meet the minimum qualifications for the open positions. The agency will contact the County's GAIN Division for a list of participants by job category.

The minority and female composition of the Board of Directors and staff of the Antelope Valley Child Abuse Center is provided with this letter as Attachment A.

The attached standard CDBG Reimbursable Contract is being presented in substantially final form, and will be effective following approval as to form by County Counsel and execution by all parties.

41. PROGRAM INCOME. The County reserves the right to determine the disposition of any program income, as described in 24 CFR Part 570.504 accumulated under the project(s) set forth in Exhibit A. Said disposition may include the County taking possession of said program income.
42. FINANCIAL CLOSE OUT PERIOD. The Operating Agency agrees to complete all necessary financial close out procedures required by the Executive Director or designee, within a period of not more than sixty (60) calendar days from the expiration date of this Contract. This time period will be referred to as the financial close out period. The County is not liable to provide reimbursement for any expenses or costs associated with this Contract after the expiration of the financial close out period. After the expiration of the financial close out period, those funds not paid to the Operating Agency under this Contract, if any, may be immediately reprogrammed by County into other eligible activities in the County. The Executive Director, or his designee, may request a final financial audit for activities performed under this Contract at the expiration of the financial close out period.
43. NEPOTISM. Operating Agency shall not hire nor permit the hiring of any person to fill a position funded through this Contract if a member of that person's

immediate family is employed in an administrative capacity by Operating Agency. For the purpose of this section, the term "immediate family" means spouse, child, mother, father, brother, sister, brother-in-law, sister-in-law, father-in-law, mother-in-law, son-in-law, daughter-in-law, aunt, uncle, niece, nephew, stepparent and stepchild. The term "administrative capacity" means having selection, hiring, supervisory or management responsibilities, including serving on the governing body of Operating Agency.

44. RELIGIOUS AND POLITICAL ACTIVITIES. Operating Agency agrees that funds under this Contract will be used exclusively for performance of the work required under this Contract, and that no funds made available under this Contract shall be used to promote religious or political activities. Further, Operating Agency agrees that it will not perform, nor permit to be performed, any religious or political activities in connection with the performance of this Contract.
45. STAFF TRAVEL. Operating Agency shall not incur any expenditure for travel outside of Los Angeles County unless specifically provided for and itemized in Exhibit A, without prior written approval of County.
46. USE OF FUNDS. All funds approved under this Contract shall be used solely for costs approved in the program budget for this Contract. Contract funds shall not be used as a cash advancement between contracts, as security to guarantee payments for any nonprogram obligations, or as loans for nonprogram activities. Separate financial records shall be kept for each funding source.
47. REPORTS AND RECORDS. Operating Agency agrees to prepare and submit financial, program progress, monitoring, evaluation and other reports as required by County. Program progress reports shall be submitted on a monthly basis, in the form specified by the Executive Director or his designee. Operating Agency shall maintain, and permit on site inspections of such property, personnel, financial and other records and accounts as are considered necessary by County to assure proper accounting for all Contract funds during the term of this Contract and for a period of three (3) years thereafter. Operating Agency will ensure that its employees and board members furnish such information which, in the judgment of County representatives, may be relevant to a question of compliance with contractual conditions, with County or granting agency directives, or with the effectiveness, legality and achievements of the program.
48. EXPENDITURES. Expenditures made by Operating Agency in the operation of this Contract shall be in strict compliance and conformity with the Budget set forth in Exhibit A, unless prior written approval for an exception is obtained from Executive Director or his designee.
49. CERTIFICATION PROHIBITING USE OF EXCESSIVE FORCE. In accordance with Section 519 of Public Law 101-144, the undersigned certifies, to the best of his or her knowledge and belief, that it has adopted and is enforcing:

- i. A policy prohibiting the use of excessive force by law enforcement agencies within its jurisdiction against any individuals engaged in non-violent civil rights demonstrations; and
 - ii. A policy of enforcing applicable State and local laws against individuals physically barring entrance to or exit from a facility or location which is the subject of such non-violent civil rights demonstrations within its jurisdiction;
- 50. DRUG-FREE WORKPLACE. Operating Agency agrees to provide a drug-free workplace by:
 - i. Publishing a statement notifying employees that the unlawful manufacture, distribution, dispensing, possession, or use of a controlled substance is prohibited in the Operating Agency's workplace and specifying the actions that will be taken against employees for violation of such prohibition;
 - ii. Establishing an ongoing drug-free awareness program to inform employees about:
 - a. The dangers of drug abuse in the workplace;
 - b. The Operating Agency's policy of maintaining a drug-free workplace;
 - c. Any available drug counseling, rehabilitation, and employee assistance programs; and
 - d. The penalties that may be imposed upon employees for drug abuse violations occurring in the workplace;
 - iii. Making it a requirement that each employee to be engaged in the performance of the grant be given a copy of the statement required by subparagraph i of this Section 50;
 - iv. Notifying the employee in the statement required by paragraph i of this Section 50 that, as a condition of employment under the grant, the employee will:
 - a. Abide by the terms of the statement; and
 - b. Notify the employer in writing of his or her conviction for a violation of a criminal drug statute occurring in the workplace no later than five (5) calendar days after such conviction;
 - v. Notifying the County in writing, within ten (10) calendar days after receiving notice under subparagraph (iv)(b) from an employee or otherwise receiving actual notice of such conviction. Employers of convicted employees must provide notice, including position title, to every grant officer

or other designee on whose grant activity the convicted employee was working, unless the Federal agency has designated a central point for the receipt of such notices. Notice shall include the identification number(s) of each affected grant;

- vi. Taking one of the following actions, within thirty (30) calendar days of receiving notice under subparagraph (iv)(b), with respect to any employee who is so convicted -
 - a. Taking appropriate personnel action against such an employee, up to and including termination, consistent with the requirements of the Rehabilitation Act of 1973, as amended; or
 - b. Requiring such employee to participate satisfactorily in a drug abuse assistance or rehabilitation program approved for such purposes by a Federal, State, or local health, law enforcement, or other appropriate agency;
- vii. Making a good faith effort to continue to maintain a drug-free workplace through implementation of subparagraphs i, ii, iii, iv, v and vi.
- viii. The Operating Agency may insert in the space provided below the site(s) for the performance of work done in connection with the specific grant;

51. RESIDENTIAL ANTIDISPLACEMENT AND RELOCATION ASSISTANCE PLAN. Section 104(d) of the Housing and Community Development Act of 1974, also known as the Barney Frank Amendment, requires relocation assistance for displaced low-income families and requires one-for-one replacement of low/moderate income dwelling units that are demolished or converted to other use. When CDBG funds are used in a project, including financing for rehabilitation, or project delivery costs, Section 104(d) is triggered. CDBG Regulations further describe the requirements under 24 CFR Section 570.606 Displacement, Relocation, Acquisition, and Replacement of Housing.

Operating Agency must adopt and make public a Residential Antidisplacement and Relocation Assistance Plan as part of its administrative requirements to HUD. Before Operating Agency enters into a contract committing it to provide funds for any activity that will directly result in the demolition, or conversion to another use, of low/moderate-income dwelling units, it must make public and submit to HUD the information as described in Section 24 CFR 570.606 (c) (iii) A-G.

52. PROPERTY MAINTENANCE STANDARDS. The Operating Agency providing services under Contract to the County must ensure that sufficient property maintenance ("property maintenance standards") shall be provided to the facility

where services are being provided. Property maintenance includes removal of trash and debris, graffiti abatement, landscaping and physical appearance acceptable to the County.

The Operating Agency may use its CDBG funds towards property maintenance standards; however, each case would be reviewed on an individual basis and approved by the County. The County has established an expenditure cap not to exceed five (5) percent of the Contract allocation for property maintenance standards.

53. TERMINATION FOR IMPROPER CONSIDERATION. The County may, by written notice to the Operating Agency, immediately terminate the right of the Operating Agency to proceed under this Contract if it is found that improper consideration, in any form, was offered or given by the Operating Agency, either directly or through an intermediary, to any County officer, employee or agent with the intent of securing the Contract or securing favorable treatment with respect to the award, amendment or extension of the Contract or the making of any determinations with respect to the Operating Agency's performance pursuant to the Contract. In the event of such termination, the County shall be entitled to pursue the same remedies against Operating Agency as it could pursue in the event of default by the Operating Agency.

Operating Agency shall immediately report any attempt by the County officer or employee to solicit such improper consideration. The Report shall be made to the Executive Director of the Commission or the County Auditor-Controller's Employee Fraud Hotline (800) 544-6861.

54. OPERATING AGENCY'S WARRANTY OF ADHERENCE TO COUNTY'S CHILD SUPPORT COMPLIANCE PROGRAM. Operating Agency acknowledges that the County has established a goal of ensuring that all individuals who benefit financially from County or Commission through contract are in compliance with their court-ordered child, family and spousal support obligations in order to mitigate the economic burden otherwise imposed upon County and its taxpayers.

As required by County's Child Support Compliance Program (County Code Chapter 2.200) and without limiting Operating Agency's duty under this Contract to comply with all applicable provisions of law, Operating Agency warrants that it is now in compliance and shall during the term of this Contract maintain compliance with employment and wage reporting requirements as required by the Federal Social Security Act (42 USC Section 653a) and California Unemployment Insurance Code Section 1088.5, and shall implement all lawfully served Wage and Earnings Withholding Orders or District Attorney Notices of Wage and Earnings Assignment for Child or Spousal Support, pursuant to Code of Civil Procedure Section 706.031 and Family Code Section 5246(b).

55. TERMINATION FOR BREACH OF WARRANTY TO MAINTAIN COMPLIANCE WITH COUNTY'S CHILD SUPPORT COMPLIANCE PROGRAM. Failure of Operating Agency to maintain compliance with the requirements set forth in Paragraph 54, Operating Agency's Warranty of Adherence to County's Child Support Compliance Program shall constitute a default by Operating Agency under this Contract. Without limiting the rights and remedies available to County or Commission under any other provision of this Contract, failure to cure such default within ninety (90) days of notice by the Los Angeles County District Attorney shall be grounds upon which the Board of Supervisors may terminate this Contract pursuant to Paragraph 59, Termination for Cause.
56. POST MOST WANTED DELINQUENT PARENTS LIST. Operating Agency acknowledges that the County places a high priority on the enforcement of child support laws and the apprehension of child support evaders. Operating Agency understands that it is County's and Commission's policy to voluntarily post a list entitled L.A's Most Wanted: Delinquent Parents poster in a prominent position at Operating Agency's place of business. District Attorney will supply Operating Agency with the poster to be used.
57. COUNTY'S QUALITY ASSURANCE PLAN. The County will evaluate Operating Agency's performance under this Contract on not less than an annual basis. Such evaluation will include assessing Operating Agency's compliance with all contract terms and performance standards. Operating Agency's deficiencies which County determines are severe or continuing and that may place performance of the Contract in jeopardy if not corrected will be reported to the Board of Supervisors. The report will include improvement/corrective action measures taken by the County and Operating Agency. If improvement does not occur consistent with the corrective measure, County may terminate this Contract, pursuant to Paragraph 58 or 59, or impose other penalties as specified in this Contract.
58. TERMINATION FOR CONVENIENCE. The County reserves the right to cancel this Contract for any reason at all upon 30 days prior written notice to Operating Agency. In the event of such termination, Operating Agency shall be entitled to a prorated portion paid for all satisfactory work unless such termination is made for cause, in which event, compensation if any, shall be adjusted in such termination.
59. TERMINATION FOR CAUSE. This Contract may be terminated by the County upon written notice to the Operating Agency for just cause (failure to perform satisfactorily) with no penalties incurred by the County upon termination or upon the occurrence of any of the following events in i, ii, iii or iv:
- i. Should the Operating Agency fail to perform all or any portion of the work required to be performed hereunder in a timely and good workmanlike manner or properly carry out the provisions of the Contract in their true intent and meaning, then in such case, notice thereof in writing will be served upon the Operating Agency, and should the Operating Agency neglect or refuse to

provide a means for satisfactory compliance with this Contract and with the direction of the County within the time specified in such notice, the County shall have the power to suspend or terminate the operations of the Operating Agency in whole or in part.

- ii. Should the Operating Agency fail within five days to perform in a satisfactory manner, in accordance with the provisions of the Contract, or if the work to be done under said Contract is abandoned for more than three days by the Operating Agency, then notice of deficiency thereof in writing will be served upon Operating Agency by the County.

Should the Operating Agency fail to comply with the terms of said Contract within five days, upon receipt of said written notice of deficiency, the Executive Director of Commission shall have the power to suspend or terminate the operations of the Operating Agency in whole or in part.

- iii. In the event that a petition of bankruptcy shall be filed by or against the Operating Agency.

- iv. If, through any cause, the Operating Agency shall fail to fulfill in timely and proper manner the obligations under this Contract, or if the Operating Agency shall violate any of the covenants, Contracts, or stipulations of this Contract, the County shall thereupon have the right to terminate this Contract by giving written notice to the Operating Agency of such termination and specifying the effective date thereof, at least five days before the effective date of such termination. In such event, all finished or unfinished documents, data, studies, surveys, drawings, maps, models, photographs and reports prepared by the Operating Agency or under this Contract shall, at the option of the County become its property and the Operating Agency shall be entitled to receive just and equitable compensation for any work satisfactorily completed.

- 60. ARCHITECTURAL BARRIERS ACT AND THE AMERICANS WITH DISABILITIES ACT. The Architectural Barriers Act of 1968 (42 U.S.C. 4151-4157) requires certain Federal and Federally funded buildings and other facilities to be designed, constructed, or altered in accordance with standards that insure accessibility to, and use by, physically handicapped people. A building or facility designed, constructed, or altered with funds allocated or reallocated under this part after December 11, 1995, and that meets the definition of residential structure as defined in 24 CFR 40.2 or the definition of building as defined in 41 CFR 101-19.602(a) is subject to the requirements of the Architectural Barriers Act of 1968 (42 U.S.C. 4151-4157) and shall comply with the Uniform Federal Accessibility Standards (Appendix A to 24 CFR part 40 for residential structures, and Appendix A to 41 CFR Part 101-19, Subpart 101-19.6, for general type buildings). The Americans with Disabilities Act (42 U.S.C. 12131; 47 U.S.C. 155.201, 218 and 225) (ADA) provides comprehensive civil rights to individuals with disabilities in the areas of employment, public accommodations, State and local government services, and telecommunications. It further provides that

discrimination includes a failure to design and construct facilities for first occupancy after January 26, 1993 that are readily accessible to and usable by individuals with disabilities. Further, the ADA requires the removal of architectural barriers and communication barriers that are structural in nature in existing facilities, where such removal is readily achievable--that is, easily accomplishable and able to be carried out without much difficulty or expense.

61. USE OF RECYCLED-CONTENT PAPER PROJECTS. Consistent with the Board of Supervisors' policy to reduce the amount of solid waste deposited at the County landfills, the Operating Agency agrees to use recycled-content paper to the maximum extent possible on the Project.

62. EMPLOYEES OF OPERATING AGENCY. *Workers' Compensation:* Operating Agency understands and agrees that all persons furnishing services to the County pursuant to this Contract are, for the purposes of Workers' Compensation liability, employees solely of the Operating Agency. Operating Agency shall bear sole responsibility and liability for providing Workers' Compensation benefits to any person for injuries arising from an accident connected with services provided to the County under this Contract.

Professional Conduct: The County does not and will not condone any acts, gestures, comments or conduct from the Operating Agency's employees, agents or subcontractors which may be construed as sexual harassment or any other type of activities or behavior that might be construed as harassment. The County will properly investigate all charges of harassment by residents, employees or agents of the County against any and all Operating Agency's employees, agents or subcontractors providing services for the County. The Operating Agency assumes all liability for the actions of the Operating Agency's employees, agents or subcontractors and is responsible for taking appropriate action after reports of harassment are received by the Operating Agency.

63. CONTRACTOR RESPONSIBILITY AND DEBARMENT.

- i. A responsible contractor is a contractor who has demonstrated the attribute of trustworthiness, as well as quality, fitness, capacity and experience to satisfactorily perform the contract. It is the policy of the County, the Commission and the Housing Authority to conduct business only with responsible contractors.
- ii. The Operating Agency is hereby notified that, in accordance with Chapter 2.202 of the County Code, if the County, which, as defined under Section 2.202.020, includes the Commission and the Housing Authority, acquires information concerning the performance of the Operating Agency on this or other contracts which indicates that the Operating Agency is not responsible, the County may, in addition to other remedies provided in the contract, debar the Operating Agency from bidding on County, Commission or Housing Authority contracts for a specified period of time not to exceed 3 years, and terminate any or all existing contracts the Operating Agency may have with the County, the Commission or the Housing Authority.

- iii. The County may debar a contractor if the Board of Supervisors finds, in its discretion, that the contractor has done any of the following: (1) violated any term of a contract with the County, the Commission or the Housing Authority, (2) committed any act or omission which negatively reflects on the contractor's quality, fitness or capacity to perform a contract with the County, the Commission or the Housing Authority or any other public entity, or engaged in a pattern or practice which negatively reflects on same, (3) committed an act or offense which indicates a lack of business integrity or business honesty, or (4) made or submitted a false claim against the County, the Commission or the Housing Authority or any other public entity.
 - iv. If there is evidence that the Operating Agency may be subject to debarment, the County will notify the Operating Agency in writing of the evidence which is the basis for the proposed debarment and will advise the Operating Agency of the scheduled date for a debarment hearing before the Contractor Hearing Board.
 - v. The Contractor Hearing Board will conduct a hearing where evidence on the proposed debarment is presented. The Operating Agency and/or the Operating Agency's representative shall be given an opportunity to submit evidence at that hearing. After the hearing, the Contractor Hearing Board shall prepare a proposed decision, which shall contain a recommendation regarding whether the Operating Agency should be debarred, and, if so, the appropriate length of time of the debarment. If the Operating Agency fails to avail itself of the opportunity to submit evidence to the Contractor Hearing Board, the Operating Agency may be deemed to have waived all rights of appeal.
 - vi. A record of the hearing, the proposed decision and any other recommendation of the Contractor Hearing Board shall be presented to the Board of Supervisors. The Board of Supervisors shall have the right to modify, deny or adopt the proposed decision and recommendation of the Hearing Board.
 - vii. These terms shall also apply to subcontractors of County, Commission or Housing Authority contractors.
64. SECTION 3. In order to comply with the Housing and Urban Development Act of 1968, the Operating Agency and, where applicable, its contractor(s) and subcontractor(s) shall comply with Section 3 regulations as described in 24 CFR Part 135. Section 3 compliance activities of the Operating Agency and its contractor(s) and subcontractor(s) shall be governed by the Commission's CDBG Compliance Instructions, as amended.
65. ENTIRE CONTRACT This Contract with attachments constitutes the entire understanding and agreement of the parties.

IN WITNESS WHEREOF, the Board of Supervisors of the County of Los Angeles has caused

this Contract to be subscribed by the Executive Director of the Community Development Commission, and the Operating Agency has subscribed the same through its duly authorized officers, the day, month and year first above written.

Activity Summary

This new project involves the construction of a 15,000 sq. ft. facility in the Antelope Valley, to allow the Antelope Valley Child Abuse Center to meet the growing need for services for abused children in the area. By the year 2004 alone, the Center projects an increase in community population of 5.33% and an increase in the Center's clientele by 500 children.

The Antelope Valley Child Abuse Center is a non-profit organization founded in 1989 and is dedicated to helping abused children who are 0 to 17 years of age, by providing prevention, intervention, treatment and educational programs. Its services include: counseling to victims of sexual, physical and mental abuse; interaction between victims of child abuse and their siblings with adults to re-establish trust; in-home treatment to assure the safety of children; Home-Based Program with at risk families to evaluate a child's school readiness and promote child bonding; love and play programs to help young, at risk mothers to establish a healthy bond with infants; and forensic interviews involving multi-disciplinary team members to reduce the trauma of abuse by eliminating multiple interviews for prosecution.

Once completed, the Center will house all current as well as new programs, and allow room for expansion. The

Center's beneficiary capacity is projected to increase from 3,500 clients per year to over 9,000 clients by the year 2010.

The City of Lancaster donated the land on which to build the facility. The cost for construction will be sourced from a Section 108 Loan Guarantee obtained by the City of Lancaster and from donations.

CDBG funds will be used to pay for a portion of the architecture, design and engineering costs.

Special Conditions

The Operating Agency will comply with procurement standards outlined in 24 CFR, Part 84, Section 84.44, entitled Procurement Procedures, for the purchase of all goods and contracted services using CDBG or ESG funds.

The Operating Agency shall maintain during the term of this Contract and for a period of three (3) years thereafter complete and adequate financial records and accounts as are considered necessary by the Commission to assure proper accounting for all program funds and to support all program expenditures. These records and accounts shall include, but not be limited to, the following: a General Ledger that supports the costs charged to the CDBG or ESG Program; records documenting procurement of goods and services; contracts for goods or services; lease or rental agreements; invoices; billing statements; cancelled checks; timecards signed by employees and supervisors; personnel authorization records; payroll registers; payroll tax records; and bank statements, bank reconciliations and documentation to support the allocation of indirect costs.

The Operating Agency shall execute a professional services agreement with each consultant/contractor prior to incurring any costs or distributing any CDBG or ESG funds, in compliance with federal contractual requirements.

The Operating Agency shall submit to the Community Development Commission (CDC) proof of committed funds from other funding sources (i.e. commitment letter or award letter) and a copy of an executed purchase agreement before the spending or drawdown of any CDBG funds towards the construction of the building. This will ensure that the project is financially feasible and that the federal regulatory requirements are met.

The Operating Agency must maintain the use of building for a period of no less than five (5) years. If the Operating Agency changes the use of or disposes of the property, the CDBG Program must be reimbursed in the amount of the current fair market value of the property, less any portion of the value attributable to the expenditures of non-CDBG funds for acquisition of, and improvements to, the property.

The Operating Agency shall submit adequate financial documentation to support the program expenditures reported in the monthly CDBG Funding Request Forms. The financial supporting documentation will include contracts for goods or services, evidence of procurement, lease or rental agreements, invoices, billing statements, cancelled checks, timecards signed by employee and supervisors, payroll registers, payroll tax records, bank statements, bank reconciliations, a detailed General ledger that supports the costs charged to the CDBG program, and an approved cost allocation method for indirect costs charged. Failure to submit the necessary supporting documentation will result in disallowance of costs.

The Operating Agency shall report the Direct Benefits Information in its Quarterly Performance Report (QPR) once the construction of the project has been completed and the facility is made available for public use. For reporting purposes, the Operating Agency will be required to report only during the program year that the construction was completed and made available to the public. The Community Development Commission (CDC) will not close out the project until it has been verified that the national objective has been met. Please refer to CDBG Bulletin No. 01-0059, dated October 29, 2002, for further clarification.

Once the facility is made available for public use, the agency must maintain the following information for federal reporting and monitoring purposes: the name, address, ethnicity, census tract and female head of household status for all clients.

Contracted Services/Subrecipients

The Operating Agency will enter into a professional services agreement with a contractor for architecture, design and engineering services.

EXHIBIT B

INSURANCE REQUIREMENTS FOR OPERATING AGENCIES

CONTRACTS LESS THAN \$100,000

The Community Development Commission of the County of Los Angeles (CDC), the Housing Authority of the County of Los Angeles (HA) and the County of Los Angeles (County) share concerns of Operating Agencies' facing the current high cost of insurance when funds are so urgently needed to meet other costs. Insurance, however, provides the only means by which an Operating Agency can insure its continuance, and meet its obligations to the community. It is also the only method by which the CDC, the HA and the County can protect themselves from contingent exposure to claims resulting from their operations. Prior to the Operating Agency receiving funds, the CDC or the HA will review the activities of the Operating Agency. Those Operating Agencies whose activities present no meaningful exposure to the CDC, the HA and the County may have certain insurance coverages waived by the CDC Risk Management Administrator upon the written request of the Operating Agency.

Prior to the execution of this contract, Operating Agencies must provide evidence that all insurance requirements have been met. Evidence of said insurance consisting of **Certificates of Insurance** and original endorsements as required, having been reviewed and approved as being sufficient by the CDC. Exceptions will be handled on a case by case basis.

In the event of any lapse of required insurance coverage during the term of this Contract, no funds will be advanced, reimbursed, or disbursed until all insurance requirements have been met and evidence of said insurance consisting of **Certificates of Insurance** and original endorsements as required, have been reviewed and approved as being sufficient by the CDC. Failure to maintain proper insurance coverage will be cause for termination of said Contract.

INDEMNIFICATION:

Operating Agencies shall indemnify, defend and hold harmless the CDC, the HA, the County, and their appointed officials, employees, agents or volunteers ("Covered Entities") from and against any and all liability, including but not limited to demands, claim actions, fees, costs and expenses (including attorney and expert witness fees); arising from or connected with Operating Agency Acts and/or omissions arising from and/or relating to this agreement.

Without limiting its indemnification of the "Covered Entities", each Operating Agency shall be required, if funded, to provide the following insurance or evidence of formal self-insurance to meet contract requirements:

1. **GENERAL LIABILITY INSURANCE:** Written on ISO policy form CG 00 01 or its equivalent with limits of not less than the following: **General Aggregate: \$100,000; Products/Completed Aggregate: \$100,000; Personal and Advertising Injury \$100,000; Each Occurrence: \$100,000.** Higher limits may be required depending on the type of services provided. This protects an Operating Agency against claims for injury or property damage brought by members of the public as a result of the Operating Agency's activities. It is not now uncommon for a jury to award \$1 million in

judgments for successful claims, and regardless of the outcome, defense costs can be enormous. **General Liability Insurance** should pay the jury award and costs, thereby protecting the Operating Agency's assets and insuring its continuance. The CDC cannot endorse Operating Agencies which are not financially responsible. It is in the best interests of the community for the CDC to maintain insurance and encourage the continuance of the services provided by the Operating Agency. In cases where the activities for the Operating Agency present no meaningful **General Liability exposure** to the "Covered Entities", the CDC Risk Management Administrator may waive this coverage upon the written request of the Operating Agency.

General Liability forms also exclude claims arising from the use of automobiles, and separate coverage is required.

2. **AUTOMOBILE LIABILITY INSURANCE:** Written on ISO policy form CA 00 01 or it equivalent with a limit of liability of not less than **\$100,000** for each incident. Such insurance shall include coverage for all "owned", "hired", and "non-owned" vehicles, or coverage for "any auto". An Operating Agency should insure automobiles which they own. It should also be noted, however, that an Operating Agency can be held responsible for claims arising from its use of automobiles owned by volunteers, employees or contractors when conducting organization business. For this exposure, non-owned automobile liability coverage is required. This can be purchased in conjunction with most General Liability policies at a small additional premium. In cases where the funds for the activities given to the Operating Agencies present no meaningful **Automobile Liability Exposure** to the "Covered Entities", the CDC Risk Management Administrator may waive coverage upon written request from the Operating Agency.

3. **ADDITIONAL GENERAL LIABILITY COVERAGE REQUIREMENTS:**

General liability policies shall be endorsed to contain the following provisions:

- A. The "Covered Entities" are to be covered as **additional named insureds by endorsement** with respect to liability arising out of activities performed by or on behalf of the Operating Agency, including products and completed operations, premises owned, leased, or used.
 - B. The insurance coverage shall be primary insurance with respect to the "Covered Entities". Any insurance or self-insurance maintained by the "Covered Entities" shall be in excess of the insurance and shall not contribute to it.*
 - C. Coverage shall state that the insurance shall apply separately to each insured against whom the claim is made or suit is brought, except with respect to the limits of the insurer's liability.
4. **WORKERS' COMPENSATION AND EMPLOYERS' LIABILITY INSURANCE:** Provide workers' compensation benefits as required by the Labor Code of the State of California, and in all cases, this insurance shall include Employers' Liability coverage

Limits of not less than the following: **Each Accident: \$1,000,000; Disease-policy limit: \$1,000,000 and Disease-each employee: \$1,000,000.** Even if an Operating Agency has no regular employees, it can be held responsible for the payment of **workers' compensation benefits** to contractors or volunteers who can show that they are being recompensed for their services in some way by the Operating Agency. Basic coverage is almost always necessary to protect an Operating Agency and to insure compliance with the State Labor Code.

5. **BLANKET DISHONESTY BOND:** Coverage for the total amount of the grant. This is required to safeguard federal funds held or used by the Operating Agency. Incidents have occurred in the past where federal funds have been stolen or embezzled by an Operating Agency employee, and the Operating Agency has been financially unable to recover the loss.
6. **PROFESSIONAL LIABILITY INSURANCE:** If applicable, in an amount of **not less than \$100,000 aggregate** combined single limit, unless this requirement has been waived in writing. This extends coverage claims arising from negligent professional activities such as medical treatments, psychiatric or financial counseling, etc. These exposures are excluded under the general liability form. In cases where the activities for the Operating Agency present no meaningful professional exposure, CDC Risk Management may waive compliance with this contract provision upon written request.
7. **PROPERTY COVERAGE:** If applicable, and if, under the terms of Contract, the Operating Agency will have possession of, rent, lease or be loaned County-owned real or personal property, the Operating Agency may be required to insure the property for replacement cost against fire and extended coverage perils including vandalism and malicious mischief.

NOTICE OF CANCELLATION

Except for non-payment of premium, each insurance policy shall be endorsed to state that the coverage shall not be suspended, voided, or canceled by either party or reduced in coverage except after thirty (30) days prior written notice has been given to the CDC.

SELF-INSURANCE

Where agencies are totally self-insured for any of the coverages required, or where deductibles or self-insured retentions exceed the limits of coverage required, evidence of a formal funded program of self-insurance will be accepted in lieu of commercial insurance. The agencies shall fully protect the "Covered Entities" in the same manner as their interest would have been protected had commercial insurance been in effect.

ACCEPTABLE INSURANCE CARRIERS

Acceptable insurance coverage shall be placed with carriers admitted to write insurance in California, or carriers with a rating equivalent to, A: VIII by A.M. Best & Co. Any deviation

from this rule shall require specific approval in writing from the CDC.

As stated previously, in the event of any lapse of required insurance coverage during the term of this Contract, no funds will be advanced, reimbursed, or disbursed until all insurance requirements have been met and evidence of said insurance consisting of Certificates of Insurance and original endorsements as required, have been reviewed and approved as being sufficient by the Community Development Commission of the County of Los Angeles. Failure to maintain proper insurance coverage will be cause for termination of said Contract.
